

TRANSMISSION PROVIDER STANDARDS OF CONDUCT

Pine Prairie Energy Center, LLC does not meet FERC's definition of "Transmission Provider" (18 C.F.R. §358.3(k)(3)) because Pine Prairie Energy Center, LLC is a natural gas storage provider authorized to charge market based rates. Therefore, Pine Prairie Energy Center, LLC is not required to comply with FERC's Transmission Provider Standards of Conduct, as promulgated in Order No.s 717 et al., as codified at 18 C.F.R. Part 358.
