**SABINE PIPE LINE LLC  
SHARED FACILITIES**

Pursuant to 18 C.F.R. §§ 358.1 and 284 of the Federal Energy Regulatory Commission's regulations (as may be further revised from time to time, the "Standards of Conduct"), the Standards of Conduct apply to any interstate natural gas pipeline that transports gas for others and conducts transmission transactions with an affiliate that engages in marketing functions (a "Marketing Affiliate").

Pursuant to Section 358.7(e)(2) of the Standards of Conduct, a transmission provider must post on its internet website a complete list of the employee-staffed facilities shared by any of the transmission provider's transmission function employees and marketing function employees. The list must include the types of facilities shared and the addresses of the facilities.

An office building at 1722 Routh Street, Dallas, Texas and an office building at 1501 McKinney Street, Houston, Texas are employee-staffed facilities shared by Sabine Pipe Line LLC's transmission function employees and marketing function employees.
