**SABINE PIPE LINE LLC
VOLUNTARY CONSENT**

Pursuant to 18 C.F.R. §§ 358.1 and 284 of the Federal Energy Regulatory Commission's regulations (as may be further revised from time to time, the "Standards of Conduct"), the Standards of Conduct apply to any interstate natural gas pipeline that transports gas for others and conducts transmission transactions with an affiliate that engages in marketing functions (a "Marketing Affiliate").

Pursuant to Section 358.7(c) of the Standards of Conduct, a transmission customer may voluntarily consent, in writing, to allow the transmission provider to disclose the transmission customer's non-public information to the transmission provider's marketing function employees. If the transmission customer authorizes the transmission provider to disclose its information to marketing function employees, the transmission provider must post notice on its internet website of that consent along with a statement that it did not provide any preferences, either operational or rate-related, in exchange for that voluntary consent.

There are no such voluntary consents to report.
